

Common practicals card game

How to use this resource.

This activity helps demonstrate a clear link between common practicals students learning at school and careers that use these techniques.

Duration: 5-10mins.

Age group: 14-18 years.

1. Print both pages, one-sided.
2. Cut up the each box to make the "cards"
3. Ask the students to work in small groups.
4. The aim is to arrange the cards so that each names practical has a diagram and career to go with it.
5. "Cards" can be laminated for future use.
